OFFICE OF PETITIONS

Dear Mr. Martin:

You are named as a joint inventor in the above-identified United States patent application filed under the provisions of 35 U.S.C. 116 (United States Code) and 37 CFR 1.47(b), Rules of Practice in Patent Cases. Should a patent be granted on the application you will be designated therein as a joint inventor.

As a joint inventor, you are entitled to inspect any paper in the file wrapper of the application, order copies of all or any part thereof (at a prepaid cost per 37 CFR 1.19) or make your position of record in the application. Alternatively, you may arrange to do any of the preceding through a registered patent attorney or agent presenting written authorization from you. If you care to join the application, counsel of record (see below) would presumably assist you. Joining in the application would entail the filing of an appropriate oath or declaration by you pursuant to 37 CFR 1.63. It should be further noted that any assignee of record of the entire interest in the application may request that the inventor(s) be excluded from access to the application. If the request is granted, you will be informed of that fact and will only be permitted to inspect the application on sufficient showing of why such inspection is necessary to conserve your rights. See MPEP 106, citing, *In re The Kellogg Switchboard & Supply Company*, 1906 C.D. 274 (Comm'r Pat. 1906).

Telephone inquiries regarding this communication should be directed to Petitions Attorney Kenya A. McLaughlin at (571) 272-3222. Requests for information regarding your application should be directed to the File Information Unit at (703) 308-2733. Information regarding how to pay for and order a copy of the application, or a specific paper in the application, should be directed to Certification Division at (703) 308-9726 or 1-800-972-6382 (outside the Washington D.C. area).
